Applicants have filed a bona fide response to a Restriction Requirement April 14, 2005. However, the election is incomplete. On page 4 of the Restriction Requirement (February 24, 2005), there is also a species election of claim 8, wherein the species are *Drosophila*, *C. elegans*, a prokaryotic, or eukaryotic cell. It is noted that upon selection of the species, the claims will be analyzed based on the species election. Applicants must select one species to be examined.

Examiner phoned Ms. Karen Krupen on June 6, 2005 regarding the species election. Ms. Krupen asked the Examiner to wait until June 7, 2005 for a response to the species election, as the election depended upon a response from the Applicant. No response was made on June 7, 2005.
